

PICKUPS

Model Name	U.S. List price	short description
------------	-----------------	-------------------

4 String Bass Pickups

4 String J-Bass

9J#1 pair	\$ 166	split coil - bright neck/deep bridge - pair
9J-L1 bridge	\$ 83	bridge pickup only
9K#1 pair	\$ 166	brighter & higher output than 9J's - pair
9K-L1 bridge	\$ 83	bridge pickup only
9SU pair	\$ 144	deeper than 9J's - single coil - pair
9S-L bridge	\$ 72	bridge pickup only
9E Active	\$ 184	active stack - preamp built-in - use as pairs
9E Boost Kit	\$ 13	mid + treble boost option

4 String P-Bass

8S	\$ 133	deep tone
8ST	\$ 133	brighter
8SU	\$ 133	brightest - vintage voicing - more lows & low mids
8TC Active	\$ 151	preamp built-in - PJ with 9J-L1
8TC Mid Boost Kit	\$ 13	Mid + Treble boost option

4 String Music Man shape

MMC	\$ 126	deep tone dual coil
MMK	\$ 126	brighter dual coil
MMX	\$ 126	brightest dual coil
MME	\$ 151	deep tone tri-coil
MMEK	\$ 151	brighter tone tri-coil
MMEX	\$ 151	brightest tone tri-coil

Rickenbacker 4001

6RC	\$ 126	full range dual coil - usually treble position
6RT	\$ 126	full range split coil - usually neck position
6JH	\$ 126	mute compartment split coil add-on

Naming of non-Fender type bass pickups:

first 2 characters specify the shape (BB, BC, M3, etc.)

next character is the number of strings

next 1 or 2 characters specify magnet & coil windings

example: BB4C is a 4 string BC shape soapbar deep tone pickup

Naming of Pickup Matched Pairs: adding “-T” or “-B” to the pickup name specifies Treble (bridge position) or Bass (neck position). Example: BB4C-T and BB4C-B are a matched pair of BB soapbar shape 4 string deep tone dual coil pickups.

4 String BB Soapbar

BB4C	\$ 126	deep tone dual coil - matched pair available
BB4K	\$ 126	brighter tone dual coil - matched pair available
BB4CX	\$ 126	brighter tone dual coil - matched pair available
BB4M	\$ 126	deep tone split coil - matched pair available
BB4T	\$ 126	bright tone split coil - matched pair available
BB4E	\$ 151	deep tone tri-coil - matched pair available
BB4EK	\$ 151	brighter tone tri-coil - matched pair available
BB4EX	\$ 151	brightest tone tri-coil - matched pair available

4 String BC Soapbar

BC4C	\$ 126	deep tone dual coil - matched pair available
BC4K	\$ 126	brighter tone dual coil - matched pair available
BC4CX	\$ 126	brightest tone dual coil - matched pair available
BC4M	\$ 126	deep tone split coil - matched pair available
BC4T	\$ 126	bright tone split coil - matched pair available

4 String BD Soapbar

BD4C	\$ 126	deep tone dual coil - matched pair available
BD4K	\$ 126	brighter tone dual coil - matched pair available
BD4CX	\$ 126	brightest tone dual coil - matched pair available
BD4M	\$ 126	deep tone split coil - matched pair available
BD4T	\$ 126	deep tone split coil - matched pair available
BD4E	\$ 151	deep tone tri-coil - matched pair available
BD4EK	\$ 151	brighter tone tri-coil - matched pair available
BD4EX	\$ 151	brightest tone tri-coil - matched pair available

4 String M3 Soapbar (EMG35 shape)

M34C	\$ 126	deep tone dual coil - matched pair available
M34K	\$ 126	brighter tone dual coil - matched pair available
M34CX	\$ 126	brightest tone dual coil - matched pair available
M34M	\$ 126	deep tone split coil - matched pair available
M34T	\$ 126	bright tone split coil - matched pair available
M34E	\$ 151	deep tone tri-coil - matched pair available
M34EK	\$ 151	brighter tone tri-coil - matched pair available
M34EX	\$ 151	brightest tone tri-coil - matched pair available

4 String M4 Soapbar (EMG 40 shape)

M44C	\$ 126	deep tone dual coil - matched pair available
M44K	\$ 126	brighter tone dual coil - matched pair available
M44CX	\$ 126	brightest tone dual coil - matched pair available
M44M	\$ 126	deep tone split coil - matched pair available
M44T	\$ 126	bright tone split coil - matched pair available
M44E	\$ 151	deep tone tri-coil - matched pair available
M44EK	\$ 151	brighter tone tri-coil - matched pair available
M44EX	\$ 151	brightest tone tri-coil - matched pair available

4 String X4 Narrow Soapbar

X44J#1 pair	\$ 166	split coil - bright neck/deep bridge - pair
X44K#1 pair	\$ 166	brighter & higher output than 9J's - pair

5 String Bass Pickups

5 String J-Bass

59J#1 pair	\$ 176	5 string version of 9J#1's (66 -74mm string width)
59J-L1 bridge	\$ 88	bridge pickup only
59K#1 pair	\$ 176	5 string version of 9K's (66 -74mm string width)
59K-L1 bridge	\$ 88	bridge pickup only
59E72	\$ 192	5 string version of 9E's for 72mm string width
59E Mid Boost Kit	\$ 13	mid + treble boost option

5 String American Standard J-Bass

57J#1 pair	\$ 176	like 59J#1's
57J-L1 bridge	\$ 88	bridge pickup only
57K#1 pair	\$ 176	like 59K's
57K-L1 bridge	\$ 88	bridge pickup only

5 String P-Bass

xx58S	\$ 137	5 string version of 8S
xx58ST	\$ 137	5 string version of 8ST
xx58SU	\$ 137	5 string version of 8SU
xx58TC Active	\$ 154	5 string version of 8TC
xx58TC Mid Boost Kit	\$ 13	5 string Mid + Treble boost option

5 String Music Man shape (5 string pickup in original 4 string Music Man shape)

72MM5C	\$ 135	deep tone dual coil - matched pair available
72MM5K	\$ 135	brighter tone dual coil - matched pair available
72MM5CX	\$ 135	brightest tone dual coil - matched pair available
72MM5E	\$ 161	deep tone tri-coil - matched pair available
72MM5EK	\$ 161	brighter tone tri-coil - matched pair available
72MM5EX	\$ 161	brightest tone tri-coil - matched pair available

5 String Ernie Ball Music Man shape

72MV5C	\$ 135	deep tone dual coil - matched pair available
72MV5K	\$ 135	brighter tone dual coil - matched pair available
72MV5CX	\$ 135	brightest tone dual coil - matched pair available
72MV5E	\$ 161	deep tone tri-coil - matched pair available
72MV5EK	\$ 161	brighter tone tri-coil - matched pair available
72MV5EX	\$ 161	brightest tone tri-coil - matched pair available

Naming of non-Fender type bass pickups:

first 2 or 3 numerals specify the string width in millimeters
 next 2 characters specify the shape (BC, BD, M4, etc.)
 next character is the number of strings
 next 1 or 2 characters specify magnet & coil windings

example: 72BC5C is a 72 mm string width BC shape soapbar
 5 string deep tone pickup

Naming of Pickup Matched Pairs: adding “-T” or “-B” to the pickup name specifies **Treble** (bridge position) or **Bass** (neck position). Example: 72BC5C-T and 72BC5C-B are a matched pair of BC soapbar shape 5 string deep tone dual coil pickups for 72 mm .string width.

5 String BC Soapbar

72BC5C	\$ 135	deep tone dual coil - matched pair available
72BC5K	\$ 135	brighter tone dual coil - matched pair available
72BC5CX	\$ 135	brighter tone dual coil - matched pair available
xxBC5M	\$ 135	deep tone split coil - extended width / low curvature
xxBC5T	\$ 135	bright split coil - extended width / low curvature
xxBC5C	\$ 181	deep tone quad coil, extended width / low curvature
xxBC5K	\$ 181	brighter quad coil - extended width / low curvature
xxBC5CX	\$ 181	brightest quad coil - extended width / low curvature

5 String BD Soapbar

72BD5C -	\$ 135	deep tone dual coil - matched pair available
72BD5K -	\$ 135	brighter tone dual coil - matched pair available
72BD5CX	\$ 135	brightest tone dual coil - matched pair available
xxBD5M	\$ 135	deep tone split coil - extended width / low curvature
xxBD5T	\$ 135	bright split coil - extended width / low curvature

5 String BD Soapbar (continued)

72BD5E	\$ 161	deep tone tri-coil - matched pair available
72BD5EK	\$ 161	brighter tone tri-coil - matched pair available
72BD5EX	\$ 161	brightest tone tri-coil - matched pair available
xxBD5C	\$ 181	deep tone quad coil, extended width / low curvature
xxBD5K	\$ 181	brighter quad coil, extended width / low curvature
xxBD5CX	\$ 181	brightest quad coil, extended width / low curvature

5 String M4 Soapbar (EMG 40 shape)

72M45C	\$ 135	deep tone dual coil - matched pair available
72M45K	\$ 135	brighter tone dual coil - matched pair available
72M45CX	\$ 135	brightest tone dual coil - matched pair available
xxM45M	\$ 135	deep tone split coil - extended width / low curvature
xxM45T	\$ 135	bright split coil - extended width / low curvature
72M45E	\$ 161	deep tone tri-coil - matched pair available
72M45EK	\$ 161	brighter tone tri-coil - matched pair available
72M45EX	\$ 161	brightest tone tri-coil - matched pair available
xxM45C	\$ 181	deep tone quad coil, extended width / low curvature
xxM45K	\$ 181	brighter quad coil, extended width / low curvature
xxM45CX	\$ 181	brightest quad coil, extended width / low curvature

5 String M5 Soapbar (EMG 45 shape)

72M55C	\$ 135	deep tone dual coil - matched pair available
72M55K	\$ 135	brighter tone dual coil - matched pair available
72M55CX	\$ 135	brighter tone dual coil - matched pair available
xxM55M	\$ 135	deep tone split coil - extended width / low curvature
xxM55T	\$ 135	bright split coil - extended width / low curvature
72M55E	\$ 161	deep tone tri-coil - matched pair available
72M55EK	\$ 161	brighter tone tri-coil - matched pair available
72M55EX	\$ 161	brightest tone tri-coil - matched pair available
xxM55C	\$ 181	deep tone quad coil, extended width / low curvature
xxM55K	\$ 181	brighter quad coil, extended width / low curvature
xxM55CX	\$ 181	brightest quad coil, extended width / low curvature

5 String P2 Soapbar

72P25C	\$ 135	deep tone dual coil - matched pair available
72P25K	\$ 135	brighter tone dual coil - matched pair available
72P25CX	\$ 135	brightest tone dual coil - matched pair available
xxP25M	\$ 135	deep tone split coil - extended width / low curvature
xxP25T	\$ 135	bright split coil - extended width / low curvature
xxP25C	\$ 181	deep tone quad coil, extended width / low curvature
xxP25K	\$ 181	brighter quad coil, extended width / low curvature
xxP25CX	\$ 181	brightest quad coil, extended width / low curvature

5 String P4 Soapbar

72P45C	\$ 135	deep tone dual coil - matched pair available
72P45K	\$ 135	brighter tone dual coil - matched pair available
72P45C	\$ 135	brightest tone dual coil - matched pair available
xxP45M	\$ 135	deep tone split coil - extended width / low curvature
xxP45T	\$ 135	bright split coil - extended width / low curvature
xxP45C	\$ 181	deep tone quad coil, extended width / low curvature
xxP45K	\$ 181	brighter quad coil, extended width / low curvature
xxP45CX	\$ 181	brightest quad coil, extended width / low curvature

5 String X4 Narrow Soapbar

74X45J#1 pair	\$ 176	like 59J#1 split coil - 74mm string width - pair
74X45K#1 pair	\$ 176	like 59K#1 split coil - 74mm string width - pair

6 String Bass Pickups

Naming of non-Fender type bass pickups:

- first 2 or 3 numerals specify the string width in millimeters
- next 2 characters specify the shape (P2, P4, M5 etc.)
- next character is the number of strings
- next 1 or 2 characters specify magnet & coil windings

example: 90P46C is a 90 mm string width P4 shape soapbar
6 string deep tone pickup

Naming of Pickup Matched Pairs: adding "-T" or "-B" to the pickup name specifies Treble (bridge position) or Bass (neck position). Example: 90P46C-T and 90P46C-B are a matched pair of P4 soapbar shape 6 string deep tone dual coil pickups for 90 mm .string width.

6 String M4 Soapbar (EMG 40 shape)

xxM46M	\$ 137	deep tone split coil - extended width / low curvature
xxM46T	\$ 137	bright split coil - extended width / low curvature
xxM46C	\$ 181	deep tone quad coil, extended width / low curvature
xxM46K	\$ 181	brighter quad coil, extended width / low curvature
xxM46CX	\$ 181	brightest quad coil, extended width / low curvature
xxM46E	\$ 200	deep tone triple coil, extended width / low curvature
xxM46EX	\$ 200	brightest triple coil, extended width / low curvature

6 string M5 Soapbar (EMG 45 shape)

xxM56M	\$ 137	deep tone split coil - extended width / low curvature
xxM56T	\$ 137	bright split coil - extended width / low curvature
xxM56C	\$ 181	deep tone quad coil, extended width / low curvature
xxM56K	\$ 181	brighter quad coil, extended width / low curvature
xxM56CX	\$ 181	brightest quad coil, extended width / low curvature
xxM56E	\$ 200	deep tone triple coil, extended width / low curvature
xxM56EX	\$ 200	brightest triple coil, extended width / low curvature

6 String P2 Soapbar

xxP26M	\$ 137	deep tone split coil - extended width / low curvature
xxP26T	\$ 137	bright split coil - extended width / low curvature
xxP26C	\$ 181	deep tone quad coil, extended width / low curvature
xxP26K	\$ 181	brighter quad coil, extended width / low curvature
xxP26CX	\$ 181	brightest quad coil, extended width / low curvature

6 String P4 soapbar

xxP46M	\$ 137	deep tone split coil - extended width / low curvature
xxP46T	\$ 137	bright split coil - extended width / low curvature
xxP46C	\$ 181	deep tone quad coil, extended width / low curvature
xxP46K	\$ 181	brighter quad coil, extended width / low curvature
xxP46CX	\$ 181	brightest quad coil, extended width / low curvature

6 String G6 Soapbar

96G66J#1	\$ 94	deep tone split coil - 96mm string width
96G66K#1	\$ 94	bright tone split coil - 96mm string width
100G66J#1	\$ 94	deep tone split coil - 100mm string width
100G66K#1	\$ 94	bright tone split coil - 100mm string width

Guitar Pickups

Dual Coil guitar humbucker size

PBF series guitar pickups are available in Nickel or Gold metal covers

PBF-47	\$ 120	vintage Neck humbucker - bright
PBF-49	\$ 120	vintage Neck humbucker - mellower
PBF-51	\$ 120	vintage Bridge humbucker - mellower

SB88-D	\$ 129	Soapbar shape version of V88-D
SB88K-N	\$ 129	Soapbar shape bright version of V88-C
SB88K-B	\$ 129	Soapbar shape bright version of V88-D

Active Strat Systems (prewired)

System 111	\$ 399	equal stacked coils / vint. tone / high output + boost
System 111B	\$ 399	unequal stack coils / vint. tone / high output + boost
System 112	\$ 419	SSH / coil cut // vint. tone / high output + boost

Acoustic Guitar (soundhole mounting)

3A	\$ 109	soundhole mount single coil for steel string guitar
3AV	\$ 123	soundhole mount stacked coil for steel string guitar
E3AV	\$ 139	soundhole mount active pickup for steel string guitar

ELECTRONICS

Complete Electronic Harnesses

These complete harnesses are prewired with a ground wire of sufficient length to be easily reconfigured to existing control layouts. An open frame stereo output jack is included. They are fully tested and ready to install. Harnesses with **AP** have a push-pull Volume control to select **Active** or **Passive** operation.

New for 2002 - All harnesses have been upgraded with modules capable of **9-volt** or **18-volt** operation.

Fretless Basses - add **FL** after the harness model number (example: HR-5.2/918**FL**)

HR-2.2/918	\$ 140	Volume + Treble/Bass stack - 2 band EQ harness
HR-2.2AP/918	\$ 151	HR-2.2 + A/P push-pull switch
HR-2.3/918	\$ 138	Volume + Treble + Bass - 2 band EQ harness
HR-2.3AP/918	\$ 149	HR-2.3 + A/P push-pull switch
HR-2.4/918	\$ 183	Vol-Mid(p-p)-Treble/Bass stack - 3 band EQ harness
HR-2.4AP/918	\$ 194	HR-2.4 +A/P push-pull switch
HR-2.5/918	\$ 170	Vol-Treble-Mid(p-p)-Bass - 3 band EQ harness
HR-2.5AP/918	\$ 181	HR-2.5 + A/P push-pull switch
HR-3.2/918	\$ 150	Vol-Vol-Treble/Bass stack - 2 band EQ harness
HR-3.2AP/918	\$ 161	HR-3.2 + A/P push-pull switch
HR-3.3/918	\$ 156	Vol-Blend-Treble/Bass stack - 2 band EQ harness
HR-3.3AP/918	\$ 167	HR-3.3 +A/P push-pull switch
HR-3.4/918	\$ 202	V/V stack-Mid(pp)-Treble/Bass stack - 3 band EQ harness
HR-4.2/918	\$ 139	Vol-Vol-Treble-Bass - 2 band EQ harness
HR-4.2AP/918	\$ 150	HR-4.2 +A/P push-pull switch
HR-4.4/918	\$ 191	Vol-Vol-Mid(p-p)-Treble/Bass stack - 3 band EQ harness
HR-4.4AP/918	\$ 202	HR-4.4 +A/P push-pull switch
HR-4.5/918	\$ 145	Vol-Blend-Treble-Bass - 2 band EQ harness
HR-4.5AP/918	\$ 156	HR-4.5 +A/P push-pull switch
HR-4.6/918	\$ 196	Vol-Blend-Mid(p-p)-Treble/Bass stack - 3 band EQ harness
HR-4.6AP/918	\$ 207	HR-4.6 +A/P push-pull switch
HR-4.7/918	\$ 210	Vol-Blend-Mid(switch)-Treble/Bass stack - 3 band EQ harness
HR-4.7AP/918	\$ 221	HR4.7 +A/P push-pull switch
HR-5.1/918	\$ 180	Vol-Vol-Treble-Mid(p-p)-Bass - 3 band EQ harness
HR-5.1AP/918	\$ 191	HR-5.1 +A/P push-pull switch
HR-5.2/918	\$ 185	Vol-Blend-Treble-Mid(p-p)-Bass - 3 band EQ harness
HR-5.2AP/918	\$ 196	HR-5.2 +A/P push-pull switch
HR-5.3/918	\$ 194	Vol-Vol-Treble-Mid(switch)-Bass - 3 band EQ harness
HR-5.3AP/918	\$ 205	HR-5.3 +A/P push-pull switch
HR-5.4/918	\$ 200	Vol-Blend-Treble-Mid(switch)-Bass - 3 band EQ harness
HR-5.4AP/918	\$ 211	HR-5.4 +A/P push-pull switch

Add-on Electronics (add to existing Vol-Vol or Vol-Blend controls)

HR-4.1/918	\$ 116	Treble/Bass stack - 2 band EQ add-on
HR-4.3/918	\$ 170	Mid(p-p) - Treble/Bass stack - 3 band EQ add-on
